Apps included on the iPads are managed via the ‘FFRG shared profile’ using Mobile Device Management (MDM).

Applications available on the iPads include:

- eMap
- FFM Vic Apps
- FireWeb
- BOM weather
- Ada – with access to O365 applications (Outlook, Onedrive etc) and PeopleCentral
- Additional applications can also be installed from the DELWP Apps store: Go Firefighter, Tarnook GO, EMCOP, CTera etc

Don’t see your application in the DELWP Apps store?

Please log a request with TSU via the FFMVic Service Desk. We will work with ISD to make the application available to you.
